Subject: EOCCG Update 24: Planned Truck Demonstration

Good evening,

Further progress has been made by Ottawa Police Service to reduce the Secured Area. The map attached shows the new southern border, starting at Laurier. We are also pleased to report that Sparks Street is now open to pedestrians and that the 417 off-ramp closures from Rochester to Riverside were lifted.

The City has been receiving compliments for all of the work done to remove debris and clear up City streets. Downtown is now clear and City Staff worked on the Coventry site today. PIMR is reporting very positive feedback from a social media posting that included a picture of 6 large (25 cubic meter) waste bins that had collected debris from downtown streets. The City's 3-1-1 service is also noticing a positive change in the tone and type of calls they are receiving.

CHEO received a false bomb threat yesterday evening. While false calls to 911 have been reduced, there are indications that outside interference persists.

City Hall and Arts Court went into a "secure facility" posture this afternoon, due to a situation at the Rideau Centre that required that the mall be evacuated. Police quickly dealt with the incident, which was unrelated to the protests.
